MEMORANDUM FOR: Director of Central Intelligence  
VIA: Deputy Director for Operations  
SUBJECT: Letter of Appreciation to Ambassador  
Lewis Hoffacker

1. This is to request your signature on the attached letter of appreciation to Ambassador Hoffacker.

2. On 28 February the Ambassador is leaving his post as Special Assistant to the Secretary and Coordinator for Combating Terrorism to take a position with Shell Oil Company. Since July 1973, when he assumed his present position, Ambassador Hoffacker not only has chaired the Working Group of the Cabinet Committee, but with a very small staff has worked tirelessly to bring the Working Group agencies into span, has encouraged research on methods of bargaining with the terrorists, on behavior of hostages, on ways to get other governments - notably NATO - to stiffen their spines particularly on not releasing apprehended terrorists. In addition he has kept up a vigorous schedule of public addresses to various groups, familiarizing them with U.S. policies. Obviously not all of his efforts have been successful, but he has instilled a sense of urgency and forward movement in the group and has done a first class job of keeping all the disparate members informed of his initiatives and their progress.

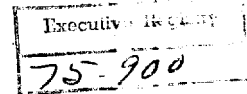

3. It seems fitting therefore, that you acknowledge his contribution to the cause of counterterrorism.
